SHIVAM KUMAR

Full Stack Developer | Portfolio: https://shivamsk-portfolio.netlify.app/
+91-8581979588 | shivamkumar48725@gmail.com

PROFESSIONAL SUMMARY

MCA graduate with a foundation in full-stack web development and AI-powered application prototyping. Familiar with React.js, JavaScript, HTML, CSS, Node.js, Express.js, and AI integration. Interested in building practical web products, AI tools, and user-focused applications.

TECHNICAL SKILLS

Languages: JavaScript, HTML5, CSS3 | Frontend: React.js | Backend: Node.js, Express.js | AI: Generative AI tools, prompt engineering, AI API integration | Tools & Deployment: Git, GitHub, VS Code, Antigravity AI, Netlify, Vercel

PROJECTS

Orin AI – AI Website Editor & Agent | AI-powered web application prototype

- Building an AI-powered website creation experience intended to turn natural-language prompts into website layouts and pages.
- Designed around editing generated website content and styling, with a focus on a simple workflow for creating and refining web experiences.
- Exploring an AI agent experience to help users work through website-building tasks. Project: orin-two.vercel.app

AI Cloud Chatbot

- Planned an AI-powered chatbot to assist users with cloud deployment issues.
- Designed to provide real-time guidance for web application deployment.

Video-Conferencing Web App

- Created a web application where users can enter their name and join a meeting.
- Implemented real-time audio and video communication using the ZEGO Cloud prebuilt UI.

DOCX to PDF Converter

- Developed a web application that converts DOCX files into PDF format.
- Enabled users to upload a document and download the converted PDF.

EDUCATION

Amity Institute of Information Technology, Kolkata
Master of Computer Applications (MCA) | 2023–2025

CERTIFICATIONS

- JavaScript – LearnTube.AI
- Full-Stack in AI – WSCube.Tech
